WHY SPONSOR THE AFRICAN AMERICAN CHAMBER OF COMMERCE?

Greetings Business and Community Leaders,

Build What's Next

Opportunity isn't always obvious. Sometimes, you have to know where to look.

It can begin with a new idea finding its market. A business quietly gaining momentum. An entrepreneur whose vision is beginning to change a block, an industry, or a community.

The strongest partnerships often begin in those moments, when people build relationships early, invest with intention, and recognize that what is emerging today may help define the economy tomorrow.

At the African American Chamber of Commerce of Pennsylvania, New Jersey & Delaware, that is what we mean when we say: **Build What's Next**.

We see the restaurant becoming a destination.

We see the contractor becoming an employer.

We see the entrepreneur becoming a supplier, a client, a partner, and a leader.

You see a Black-owned business.

We see what it can set in motion.

For more than three decades, the Chamber has connected entrepreneurs to capital, customers, relationships, and opportunity while connecting companies to the businesses, leaders, and markets they should know.

On October 29, 2026, more than 500 business leaders, entrepreneurs, elected officials, corporate partners, and community stakeholders will gather for our 33rd Annual Dinner & Awards Ceremony at Live! Casino & Hotel Philadelphia.

We invite you to join us as a strategic sponsor and partner.

Your investment reaches beyond one evening. It brings your organization closer to the people, ideas, and enterprises shaping our region's future, and to relationships that can lead to new business, stronger partnerships, and shared growth.

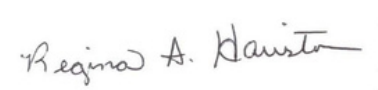

We do not simply open doors.

We help our partners recognize which doors lead to growth.

Black-owned businesses are already building, hiring, innovating, and helping shape what comes next.

We invite you to see it early, and to **Build What's Next** with us.

Sincerely,

Regina A. Hairston, President & CEO
James Sanders, Chairman of Board of Directors

WHY SPONSOR THE AFRICAN AMERICAN CHAMBER OF COMMERCE?

Every organization represented in this room has a stake in the strength of our regional economy.

Businesses need customers. Employers need talent.

Institutions need trusted partners. Communities need investment.

And economies grow when those connections work together.

For 33 years, the African American Chamber of Commerce of Pennsylvania, New Jersey and Delaware has helped strengthen those connections by convening business leaders, entrepreneurs, corporations, public-sector partners and community stakeholders across three states.

The Annual Dinner & Awards Ceremony is more than a celebration. It is one of the region's premier gatherings of business, civic and economic leadership—bringing together the people and organizations shaping the future of Pennsylvania, New Jersey and Delaware.

Sponsorship provides more than visibility.

It positions your organization alongside business leaders and decision-makers who influence procurement, workforce development, investment and economic growth throughout the region.

It demonstrates your commitment to strengthening the business ecosystem that fuels innovation, job creation and long-term competitiveness.

It creates opportunities to build relationships, elevate your brand and engage with a network of entrepreneurs, executives, investors and public officials who are driving growth across our region.

For 250 years, Black-owned businesses have contributed to America's economy as builders, innovators, employers and entrepreneurs. Today, they remain an essential part of the regional business landscape and a vital component of future economic growth.

When you sponsor the Annual Dinner & Awards Ceremony, you are not simply supporting an event.

You are investing in relationships.

You are investing in economic growth.

You are investing in the future competitiveness of our region.

ECONOMIC IMPACT. REGIONAL REACH. LASTING RESULTS.
